

COVERTS COOPERATOR APPLICATION
for the
2022 Wisconsin Coverts Project Workshop at
Kemp Natural Resources Station in Woodruff, WI
August 11-14, 2022

We're looking for private landowners who are interested in managing their woodlands for wildlife and who are willing to share what they have learned with others in their community.

This application helps us identify and select enthusiastic individuals to attend the Wisconsin Coverts Project workshops and become Coverts Cooperators.

Note: You do not need to be a Wisconsin landowner; we'll consider any woodland owner in the Midwest region.

If you are interested, please complete and return this application to Jamie Nack by **June 15th**.

If you have a significant other or family member who would like to attend the workshop with you, please have them complete a separate application and either mail them in together or put a note on each of the applications that you are applying together. When more than one person, representing the same property is accepted, we do charge a fee to cover the costs (food and lodging) of the additional person.

Please mail or e-mail completed applications to:

Jamie Nack
